

## Benefits

- Touchless wave sensor activates dispensing one sheet at-a-time, avoiding physical contact with the dispenser
- High efficient, quiet and reliable motor provides extensive battery life - minimum 100 rolls \* of 1,000' roll towel when dispenser is set to longest (12") sheet length (4 D cell batteries included)
- Multiple sheet length settings (8", 10" or 12" options)
- ADA compliant back-up mechanical override lever allows access to paper even when batteries run out
- Optional A/C plug-in adapter available to provide constant power to the dispenser and avoid battery use (sold separately)
- Key required to open/close
