VENTED BRUTE® 20 GAL BLUE

The Rubbermaid Commercial vented BRUTE® container has innovative venting channels make lifting out liners up to 50% easier, improving productivity and reducing the risk of injury. The proprietary design constructed with the highest quality material plus a UV inhibitor ensures long life in even the most extreme commercial environments. Guaranteed to never fade, warp, crack, or crush.

FEATURES & BENEFITS

- Integrated cinches secure the liner, allowing for efficient knot free liner changes. Tested to 20,000 cycles.
- Rounded handles make lifting and moving easier, and are reinforced to resist tearing or damage from even the heaviest loads.
- Reinforced base is specifically engineered to be dragged over rough surfaces, extending life and overall durability even in the toughest environments.
- Contoured base handles improve grip and ergonomics, reducing strain and improving efficiency when emptying containers.
- Rim features integrated rib structure to increase strength and resist crushing.
- Stackable design enables nesting for easy transport and storage
- Available in gray, blue, white, red, yellow, green and black to complement compliance, recycling, and sortation needs.
